

## **DS-KD-DIS** **Video Intercom Display Module**

### **Key Feature**

- 3.5-inch LCD screen with resolution: 320 × 480p
- 4 physical buttons with backlight
- Up to 2000 contacts can be added to the device
- Stores and searches contact list
- Dials number and calls indoor station with keypad module
- Unlocks door by PIN code with keypad module
- Multiple languages

## Specifications

| Model              |                     | DS-KD-DIS                             |
|--------------------|---------------------|---------------------------------------|
| System parameters  | Processor           | Embedded MCU processor                |
|                    | Storage             | 64 MB                                 |
|                    | Flash               | 8 MB                                  |
| Display parameters | Screen              | 3.5-inch TFT LCD screen               |
|                    | Resolution          | 320 × 480p                            |
|                    | Backlight           | Supported                             |
|                    | Operation method    | Physical buttons                      |
| Interfaces         | RS-485              | Module-connecting (1 input, 1 output) |
|                    | Power input         | 12 VDC (From the other module)        |
|                    | Power output        | 12 VDC (For the other module)         |
|                    | Physical buttons    | 4 (Up, Down, OK, Back)                |
|                    | Debug port          | 1                                     |
| General            | Power consumption   | 2.5 W                                 |
|                    | Working temperature | -20 °C to 60 °C (-4 °F to 140 °F)     |
|                    | Working humidity    | 10% to 95%                            |
|                    | Protection level    | IP65                                  |

## Typical Application

Appearance

| No. | Description    | No. | Description                          |
|-----|----------------|-----|--------------------------------------|
| 1   | Screen         | 5   | Back Button                          |
| 2   | Up Button      | 6   | Module-Connecting Interface (Output) |
| 3   | Down Button    | 7   | Module-Connecting Interface (Input)  |
| 4   | Confirm Button | 8   | Debug Port                           |
