Certifications

UL 294	682-528-US
	654-549-US

The single plastic housing is available for integration with a selection of different Paxton ACU's. A tamper switch is also installed which registers an alarm if the lid is opened when connected to an ACU. If integrating a Switch2 within the plastic housing, the 12V 1A PSU can also be fitted inside the enclosure to power the Switch2 control unit.
